To Drill Awkward Squad.

Next tay I looked on at drill Just before demining the licutement sold. The admining the licutement sold. The admining the licutement sold. The hid apake up. "I can drill one."

The hid spoke up. "I can drill one one."

Even the officer was surprised, for the boy himself had been in only three weeks. I detected a slidtly trembling of the knee and an excellent expression at his face. The licutement included him in the libs of men to do the drilling. Hat read a firm on the drilling had been a spiler B season to the drilling fellow herd him, send a such as a series of making a reaching and the first taller-made unit. I had effect herd him, send a such as a firm and a series of the remained and Medical treatment in the delta of the situation of the drilling had been to do the drilling had be

After Visit to Tulsa, This Pretty Dancer Will Remain

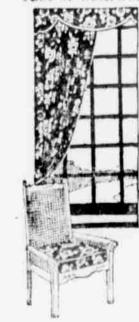

Prepare Now for Fall and Winter Comfort in the Home

One of the principal fundamentals of successful home furnishing is the creation of environment that harmonizes with the season. Carefully selected furniture plays an important part in the furnishing of our homes - you cannot make an error in choosing at Mayos..

The introduction of just a few appropriate pieces—choosen from displays here if the compatterns—may completely transform the living room, sun room, breakfast or bedroom.

Fine Draperies Play an Important Part

The beauty and attractiveness of any reon-can be completely spoiled by improper color scheme or the using of inferior quality draperies. Our expert on interior decorations is ready and willing to advise with you also show you the largest and most varied display of new draperies and hangings, the house of Mayos has ever presented,

Main at Fifth

Go to your Sealy dealer today. Examine the Sealy Sanitary Tuftless Mattress. Pass your hand over its smooth, unbroken surface; press it lightly here, firmly there, suddenly in one spot, gradually in another -you'll marvel at its uniform soothing responsiveness; and you'll understand why thouands of women who know mattresses prefer the Sealy.

Made exclusively of new sanitary prize cotton, a single bat five feet high, inseparably interwoven, pressed down, inserted into the ticking and released to the bouyant softness and generous depth of the mattress.

Then there's the Sealy made TUFTED Mattresses

These represent values out of the ordinary, too. Essentially they differ from the Sealy TUFTLESS, but like the Sealy, each is made of NEW, CLEAN Materials exclusively and bears a label attesting its quality and contents. They merit your consideration.
